

Sonance Outdoor Speakers

SoundHenge® Redux Enclosure

Sonance SoundHenge® Enclosures

SoundHenge® Redux rock enclosures have been completely redesigned to house any of the brand-new Mariner 60-Series and 50-Series outdoor speakers while complementing landscape designs. SoundHenge Redux offers a uniform size rock enclosure in two colors to blend-into a variety of backgrounds. Each enclosure is weather-resistant, and is designed and textured for a natural look. Available in granite or sandstone.

Features:

- New design and smaller size make installation easier than ever
- Available in granite and sandstone, to blend-into a variety of outdoor environments.
- Durable construction – only weighs 9 lbs. (without speaker).
- UV-, chip- and weather-resistant materials withstand demanding outdoor environments.
- Grille design allows for optimum performance yet maintains a natural appearance.
- Upgraded mounting system allows for easy installation of Mariner 60-Series and 50-Series speakers.
- Stainless steel and aluminum hardware ensures protection of enclosed speaker.
